In this, our new 1934 catalogue, we present new merchandise from our Japanese factories in addition to new models in our regular line.

On this, our 44th anniversary, we wish to express our sincere appreciation to our many customers without whose help these new models and merchandise would not be possible. Our pledge to them and to you is to continue creating new items, new models, so as to enable us all to derive the most from our efforts.

PRICES

All prices are net; excise, sales, manufacturers and importers taxes included. Due to the fluctuations in foreign exchange, all prices are subject to change without notice. If price changes occur before revised price lists are issued, we will always endeavor to price orders with the lowest prevailing prices at the time of receipt of order.

TERMS

Our regular terms are 2% cash discount for payment within 10 days or **net** 30 days. All shipments subject to F.O.B. New York City terms. C.O.D. orders must be accompanied with a deposit of 25% of the order to insure prompt shipment.

CHARGE ACCOUNTS

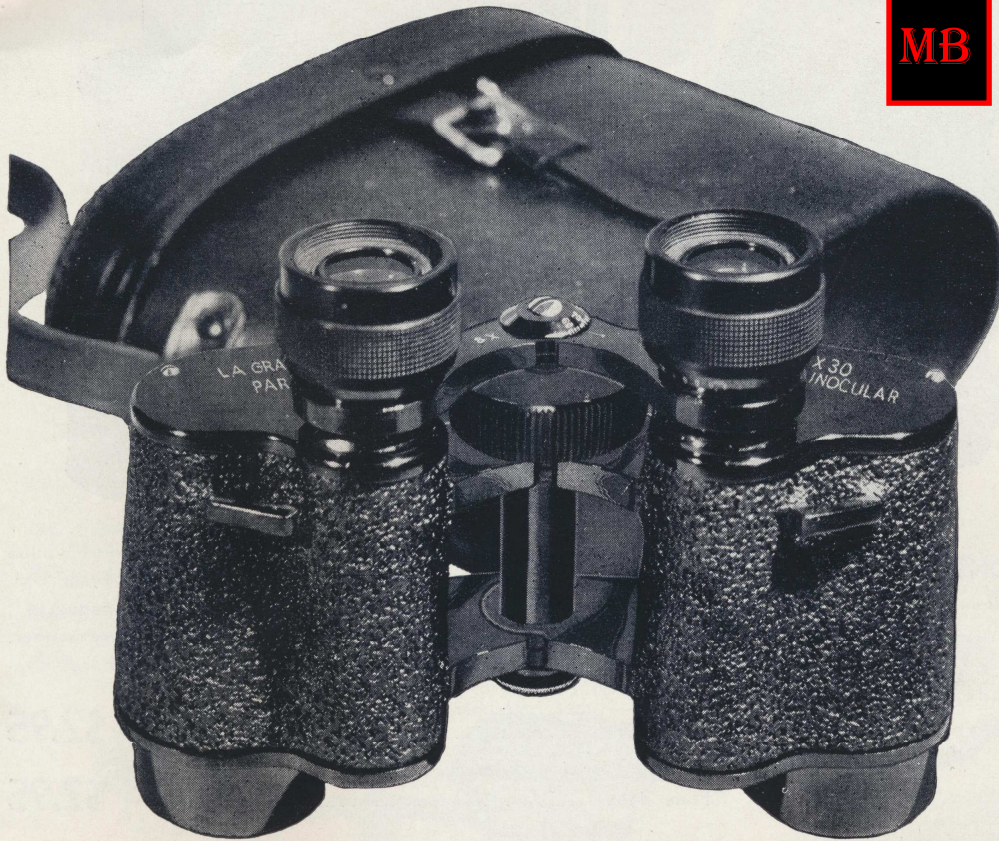

We are pleased to extend credit terms to responsible dealers listed and satisfactorily rated with mercantile agencies. To facilitate the establishment of credit terms promptly, please submit with your initial order trade references indicating manufacturers and jobbers with whom you are doing business, together with bank affiliations.

SHIPMENTS

We request specific shipping instructions. When such are lacking, we will ship at the lowest rate of transportation without liability on our part. Our responsibility ceases with safe delivery, in good condition, to the carrier. All claims for loss or damage sustained in transit should be promptly made against the transportation company. We do not accept return of merchandise unless we are promptly advised and the merchandise is shipped prepaid to us for exchange or credit.
