# THE THIRD OF THE NEW 1959 RANGE OF GERMAN HARTMANN BINOCULARS

## 8 x 30 HARTMANN

**PRICE £20 . 5 . 0**

**£3 . 10 . 0 Deposit and 8 Monthly Payments of £2 . 5 . 8**

Perhaps the most suitable wide angle model for bird watching and racing, with its field of view of over 148 yards at 1,000 yards. Light weight, 19 ozs., and handy size,  $4\frac{1}{2}'' \times 6''$ , this Binocular will give remarkable clarity without the slightest trace of colour distortion. Fully coated and complete with English leather case and sling. This popular specification Binocular will satisfy the most critically minded connoisseur.

Page six

**8 x 40 HARTMANN PRICE £29 . 19 . 6**  
**£5 . 0 . 0 Deposit and 8 Monthly Payments of £3 . 8 . 3**

Yet another all purpose Binocular from the **HARTMANN** range. Centre screw focus. Coated optics. The exit pupil of 5 mm will be found extremely useful for all light conditions, and particularly for night use. Field of view 125 yards at 1,000 yards which is extensive for such a specification. Complete with English leather lined carrying case, etc.

**Weight 22 ozs Size:  $5\frac{1}{2}'' \times 6\frac{1}{4}''$**

**COLMONT** The well known French manufacturers, have produced a new **12 x 50 DOUZIX**

**PRICE £35 . 10 . 0 £5 . 10 . 0 Deposit and 8 Monthly Payments of £4 . 1 . 8**

The "Douzix." A newcomer to the Colmont range. With a special magnification of **12 x 50**. In this model an exceptionally wide field of view is achieved and with the extra magnification is much in demand for extensive area viewing. Of exceptionally high light transmitting capacity it is invaluable in poor visibility conditions. Centre wheel focus. One adjustable eye-piece, and registered jointed bars give every optical assistance for perfect viewing. Built to Colmont noted precision standard. Complete with solid English leather case, sling and lanyard.

# THE NEW B.B.T. ("MILLI") KRAUSS 1959 BLOOMED LENS

MADE IN FRANCE

**PRICE £48 . 10 . 0**

**£9 . 0 . 0 Deposit and 8 Monthly Payments of £5 . 8 . 0**

**16 × 50 Magnification**

Magnifying 16 times, these superb Glasses make an object 1,600 yards away appear to be only 100 yards distant. Ideal for Yachting, Natural History Study and all pursuits involving long distances. The 50 mm. object lens gives an extremely wide range of view and allows full light capacity to deal with difficult climatic conditions. Designed to meet the requirements of the connoisseur demanding the best obtainable in performance and build, the finest bloomed lenses of scientific perfection are employed. Complete in solid English leather case with lanyard and slings.

**Weight without case : 45 ozs.    Size : 8½" × 8½".**

## ZEISS BENUTZER

**PRICE £55 . 0 . 0**

**£10 . 0 . 0 Deposit and 8 Monthly Payments of £6 . 2 . 6**

This is the famous 8 × 60 Zeiss glass. Independent eyepiece focusing and fully coated, it is doubtful that you will ever find a better night glass. The disadvantage of course is found in its weight of 4½ lbs. but the remarkable results, particularly in bad light conditions will amply compensate for this inconvenience. Fitted with rubber waterproof caps and impervious to the roughest treatment.

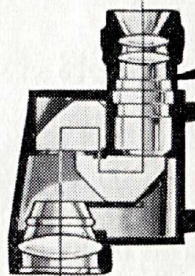

# HENSOLDT 10 x 50 WITH ROOF PRISM

PRICE £35 . 10 . 0

£7 . 10 . 0 Deposit and 8 Monthly Payments of £3 . 10 . 0

The scientific basis, solid construction, long years of technical experience and the most suitable materials, plus the utmost precision in production are all truly embodied in this German Hensoldt Binocular. The roof prism system, peculiar only to Hensoldt, allows the use of a glass of a light refractive index, thus producing a particularly clear image. This wonderful Binocular incorporates the highest possible magnification for all general purposes, and is much in demand. A recent purchase enables us to offer these mint condition Service Binoculars at the fantastic price of £35 . 10 . 0. Independent eye piece focus, complete with leather carrying case.
